

*We have three ways to
make your life easier...*

Hourly Service

This package will include assistance choosing vendors and if needed, advice along the way. You may include this service with the "Day of Event Service".

Day of Event Service

Relax and enjoy your event! We will take the lead on the day of the event, and we will work with all vendors to assure they fulfill your wishes. Day of the event timelines will be provided.

Full Service Event Planning

In addition to the services described above, we will coordinate all other aspects of your event including date selection, budgeting, site inspection, vendor research, invitations, venue diagrams, seating concerns, rehearsal arrangements, transportation and lodging reservations.
